

## Beyond the Basics EQ6 & EQ7

You need a Laptop with EQ Loaded and Activated.

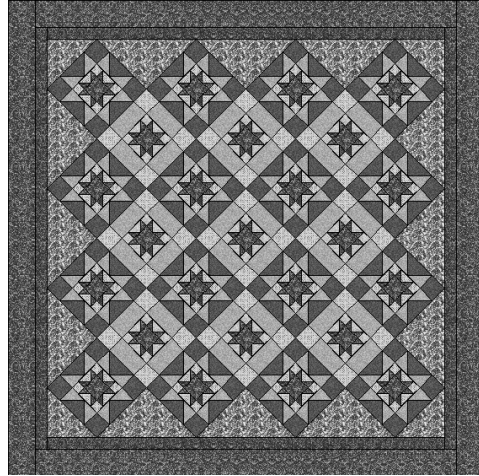

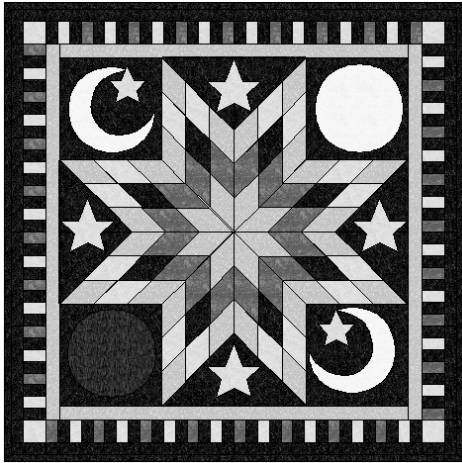

**You will need a MOUSE.**

You need to bring an extension cord.

You learned the buttons and their functions in the Beginners' class.

You will learn how to make new blocks.

Here are 2 samples of what you can do in EQ.

We will learn how to make more complicated Blocks and Quilts.

We will explore the many fun features in EQ.

You will design more complicated blocks.

We will touch on Custom Set.

This class will build on the previous class.

If you have designed a few quilts in EQ then this class is for you.

If you are brand new to EQ please think about taking a Beginners class.

**YES You will NEED a MOUSE.**

See you at the Class.
